Springfield Whole Berry 2016

A luscious and juicy wine, with as little intervention in the cellar as possible. Simply de-stemmed, the whole, uncrushed bunches are transported using only a gravity flow system. Whole berry maceration is followed by fermentation with natural yeasts, racking and one year's maturation in oak barrels. The result is a velvety wine with softer tannins and classical varietal characteristics. This traditional wine is unfiltered and unfinned, which may deposit sediment and might require decanting. Deliciously smooth and velvety in texture and full of juicy cassis, mint and plum flavours.
