CAVE
HERMANUS

WELCOME TO BIENTANG'S CAVE

Bientang's Cave Restaurant was established in 1991.

Since 1995 this family restaurant has become a world renowned tourist destination.

Created out of a traditional cave, previously inhabited by a Koi Strandloper of the same name. The restaurant spills out onto the rocks to the oceans edge of Walker Bay in Hermanus, where Whale Watching is the preferred local pass-time. The rustic charm and natural ambiance of the cave and it's surroundings is a delight to all our patrons.

Here at Bientang's Cave you can enjoy delicious food and sip on some of the Cape's finest wines, whilst watching the whales play mere metres away.

The wine list has been created to show-case some of the wonderful local wines that our beautiful region has to offer.
